A Letter from Ms. Shults

Happy Spring, Families!

Sunny days, warmer weather, a return to in-person instruction – all things that symbolize forward movement and, fingers crossed, a consistent return to better days ahead!

For those families that have selected a return to in-person learning, we have worked hard to prepare a safe learning environment that allows for a smooth transition back to school. With only seven weeks left in the year, we hit the ground running on Day 1 and look forward to ending the year strong with as much of a return to normalcy at ACE Prep as possible. For those of you who opted to remain virtual, we can't wait to have your "zoomers" share part of their day with our "roomers"! Social interactions with their peers are important and we want to ensure that they continue to feel included in their classroom.

April also kicks off the beginning of recruitment season and we would love to have your help spreading the word about our school! Also, if you have other children you intend to enroll they get preferential seating – meaning we'll hold their spot. Let us know if you need an enrollment packet and we will be sure to send one home. April also brings our first Parent Workshop on Social and Emotional Learning – more info to come! Plus, I hear another family event is being planned – stay tuned for more info!

As always our commitment to academics, character, and excellence in everything we do is unwavering. We are thankful for your commitment to ACE Prep and grateful that we can partner together in your scholar's education!

Be well!

Ms. Shults
