

ACE Preparatory Academy Charter School

ACE Preparatory Academy (9970) received federal ESSER III funds to assist in addressing the impact COVID-19 has had on the population we serve and all accompanying financial hardships. The funds received by ACE Prep have been allocated in the following ways:

- Deep cleaning of the building over the summer to prepare for the 2021-2022 school year and increase of daily cleaning hours.
- Computer programs to assist with learning loss; as well as assess scholar growth over the course of the year.
- Specialized staff to allow more differentiated instruction to address learning gaps and loss due to prior lack of in-person learning.
- Reading materials to provide more leveled books for scholars to use during guided and independent instruction.
- Technology update to assist with classroom instruction and online learning.
- Air purifier for large spaces to reduce the percentage of air particles by at least two times per hour.

*Please note, amendments may be requested as needs change due to the ongoing impacts of the pandemic.

If you have any questions, concerns, or resources that you deem to be useful, please contact Kerriesha Adams, Director of Operations, at kadams@aceprepacademy.org

Sincerely,

Kerriesha Adams
