

# BE GREAT GAZETTE

ACE PREP ACADEMY 'S OFFICIAL NEWSLETTER

## WHAT DO SCHOLARS THINK ABOUT ACE PREP?

**Maverik:** *You can have fun rewards if you behave and respect your teacher. I like ACE Prep because school is fun and relaxing.*

**Makiylah:** *I like the teachers and how the school is set up. I like the reminders of how to "BE GREAT"! I like how the classrooms are set up like colleges. I like how the staff greets us at the car every morning. My favorite activities are the end of school activities outside.*

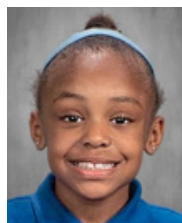

**Oniste:** *I like to learn and play with my friends. I like to see all the teachers I love the most, which is all of them.*

**Dominique:** *You get to learn so many different things. Math is the best! You'll get to BE GREAT!*

**Maxwell:** *I like the teachers, my friends, and everything I learn.*

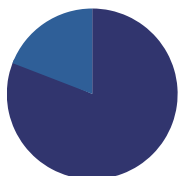

**Phanci:** *I like recess the most and enrichment too! I really like going to see Mr. Tillman during enrichment and playing games.*

## Attendance Matters!

**93% Average Attendance for the School Year!!**

Up 1% from October!

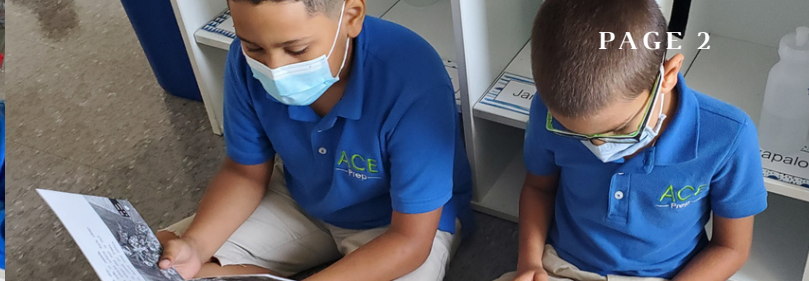

**We would like to extend a Prep Prop to our ACE Prep Families for working hard to make sure their ACE Prep Scholars are here at school and on time every day!**

## Our 5th Grade Class!

It's hard to believe our 5th grade scholars will soon be off to middle school. We are forever grateful to our parents for entrusting us to provide rigorous academics to some of our scholars since kindergarten. This is certainly a sad, yet joyous moment to celebrate.

There is a letter being sent home to Fifth Grade parents providing middle school options for next school year. The options provided could be used as a starting point as parents start to navigate middle school choices. Please review the letter and contact your school of choice for a tour, registration, and to ask questions at your earliest convenience.

Please feel free to contact the school should you have any questions or need further assistance.
